Re: C00075820 - Amended February Monthly (1/1/97-1/31/97 received 5/8/97),
Amended March Monthly (2/1/97-2/28/97 received 5/8/97), April Monthly (3/1/97-
3/31/97), and May Monthly (4/1/97-4/30/97) Reports

Dear Ms. Wall:

In your recent letters dated October 1, you requested clarification regarding certain information reported by the Committee on Schedule H4 for the above mentioned reports, as well as Line 23 of the Amended March Monthly (2/1/97-2/28/97 received 5/8/97).

- You have requested clarification for all expenditures made for "Media Production," "Production-Video Program," and "Production" on Schedule H4. All expenditures on Schedule H4 made for "Media Production" are related to the administrative operation of the NRCC studio facility, and they do not represent expenditures made on behalf of specific candidates. Expenditures made for "Production-Video Program" relate to the production costs associated with an on-going fundraising program for the NRCC and are not related to, or made on behalf of, any specific candidate. Expenditures made for "Production" relate to the production side of on-going fundraising programs and special events. Each expense is itemized and gives its specific code which is reported on Schedule H2. None of these expenditures is made on behalf of any specific candidate.

- Line 23 of the Detail Summary Page of the Amended March Monthly received 5/8/97 showed a total of \$4,914.04. The total of the entries was only \$3,711.04. A clerical error in preparing the amendment caused us to file the original version of Schedule B, as filed March 20, rather than the amended version as filed March 31. Enclosed, please find the amended version of Schedule B for Line 23, disclosing the sum of the entries to be \$4,914.04.
